13. To see if the Town will vote to raise and appropriate the sum of \$11700.00 to be paid for dump privileges in the Town of Marlborough. SELECT-MAN'S NOTE: This charge is based on our use of the dump and the cost to maintain as well as eventually close the dump and monitor it after closure.

1992 Annual Report

The Roxbury Planning Board met for twelve regular meetings during the calendar year 1992. We also had three public hearings. Minor technical changes were proposed to the zoning ordinance as well and will be voted on at the Town Meeting.

Work continued on updating the Master Plan with hopes of completion in 1993.

TOWN AUDITOR'S REPORT

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 1992. I have examined the books and records of the Town Treasurer, Tax Collector, Selectmen and Trustees of Trust Funds. I find that the books and records of the Town reflect its true financial condition as of December 31, 1992 to the best of my knowledge and belief.

I would strongly urge the Selectmen to investigate the possibility of purchasing a computer to maintain the town records on. It would make everyone's job more efficient and accurate not to mention much easier to audit.

At this time, I would like to thank all town officials involved during the audit. Everyone was most cooperative.

Respectfully submitted,
David A. Gregory
Town Auditor, Roxbury, N.H.

ROXBURY POLICE DEPARTMENT

Report of Activities for 1992

In 1992 we experienced another slight drop in police services that were needed throughout the town. Total complaints were down by 19.

Accidents – Down 8

Autos – Down 4

Burglaries – Same at 2

All other miscellaneous complaints were down slightly, thus lowering the amount of mileage on our private vehicles that we handle calls with. We are still having some problems with illegal dumping. However, those calls are down by 1. As I indicated last year, landfill costs have risen on all large items such as washing machines, driers, stoves and refrigerators, and the only way we can stop this is if someone is to see a vehicle hauling these items to a remote area, and is able to ID the operator of the vehicle and get a license plate number. We were lucky in solving a couple of these 2 years ago, with the help of a citizen that got a license plate number and reported the incident at once.

ANIMAL complaints are up by 8 additional calls this year, mostly due to unrestrained and barking dogs. This year several dogs had to be taken to the animal shelter, as their owners were not able to be located in a timely manner. There was one case that had to be taken to court and the owner was found guilty.

TRAFFIC. These complaints this year have fallen by 4. Although it is still a problem, it is mostly seasonal (summer time). This is mostly due to teenage kids joy riding and parking at the dam. There were less vehicle stops this year. However, most were during the peak of the summer. The extra patrols that were implemented last year worked very well. This year we made a slight change and had patrols more often and at different times, but doing less hours at one time. This seemed to work even better.

EMERGENCIES. The officers of this department will handle all emergencies that we are available for; any we are not available for will be turned over to the state police without delay. They will make every effort to have someone who can respond and take care of the problem.

NON-EMERGENCIES. The state police will again this year be handling all non-emergency calls and investigation. As they cover the whole county, you may experience a delay for a non-emergency as they handle calls on a priority basis.

Although complaints have decreased slightly again this year, bear in mind that we are faced with more continuing training each year that is mandated by the state as laws and police procedures change.

CALLING IN AN EMERGENCY. Call 352-1100. The dispatcher will ask you the following questions: name, address, town, phone number, location of problem if different problem. The above questions may not always be asked in this order, so stay on the phone and answer any questions that are asked of you. Remember, the more you can tell the dispatcher, the faster you will get help and the quicker the problem can be solved. In the case of the state police handling the call, officers of this department may know where you live, but the state police may not. Pay special attention to such things as: license plate numbers, color of vehicles/houses, landmarks, cross streets, clothing types/colors. All the above items listed will help police help you solve the problem as soon as possible.

TIME CAN MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH. IF YOU SEE

I will be looking forward to serving you again in the upcoming year. I want to thank all the townspeople for their help and support over the past year. I can be contacted through the dispatch center day or night by use of a paging system. If you have any questions or concerns, please feel free to contact me anytime.

PISTOL PERMITS. Applications may be picked up at the selectmen’s office, Mondays 7:00-8:30 p.m. Please allow 7 days for processing.

Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Appropriations: \$14,650. Motion carried.

Article 3: To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for salaries and expenses of the Police Department. Motion carried.

Article 4: To see if the Town will vote to raise and appropriate the sum of \$250.00 for Town Welfare and Emergency Assistance of Town Poor. Motion carried.

Article 5: To see if The Town will vote to raise and appropriate the sum of \$300.00 for expenses and maintenance of the Fire Department. Motion carried.

Article 6: To see if the Town will vote to raise and appropriate the sum of \$400.00 for upkeep of the cemeteries. Motion carried.

Article 7: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and will vote to raise the sum of \$1650.00 for interest expenses. Motion carried.

Article 8: To see if the Town will vote to raise and appropriate the sum of \$100.00 for a contingency fund. Motion carried.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for summer and winter maintenance. Motion carried. Discussion followed. A question was asked if any specific projects were planned for the year and selectmen answered, if there is money left, Davis road will be repaired. Winter maintenance complaints were discussed. Selectmen pointed out that because we had an outside contractor there was a time lapse in responding to weather conditions. The weather was a nuisance, little snow but lots of ice storms. Despite problems, the cost was about the same as last year.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$248.00 to support the Mental Health Service Program of Monadnock Family and Mental Health Service. Motion carried.

Article 11: To see if the Town will vote to raise and appropriate the sum of \$21,708.00 for highway construction and reconstruction. Selectmen's Comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended a vote is required. Motion carried.

Article 12: To see if the Town will vote to raise and appropriate the sum of \$450.00 as the Town's planning expenses and its share of expenses for the operation of the Southwestern N.H. Regional planning Commission. These funds to be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

Article 13: To see if the Town will vote to raise and appropriate the sum of \$6,150.00 to be paid for dump privileges in the Town of Marlborough. Selectmen's Note: This charge is based on our use of the Dump and the cost to maintain as well as eventually close the Dump. In 1993 it is estimated that our cost will increase to about \$9,500.00. Article amended to read "for solid waste disposal , in place of "Dump privileges in the Town of Marlborough." Motion carried as amended. Discussion followed. Selectmen pointed out that Marlborough originally asked \$9,200.00, but selectmen negotiated this lower amount. The reason for the increase is to pay our share for closing of the dump. Town's people agreed that this year we had an obligation to stay with Marlborough but a committee was formed to study alternative means of waste disposal for the future and appoint a representative to Marlborough's solid waste disposal committee. There was a strong feeling for recycling.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 as its fair share of stand-by costs for the use of the City of Keene's Ambulance service. Motion carried.

Article 15: To transact any other business which may come before the meeting. Selectman Whipple said that Keene contested their 1990 Property Tax evaluation and their case will come up in the Land appeals court in 1994. Discussion followed about the pros and cons of negotiating an out of court settlement with Keene. A settlement involving a lower evaluation in exchange for an easement keeping the land in its natural state was discussed and the Selectmen asked for and received a vote of confidence to pursue negotiations in this vein.

Fred White was chosen to be in charge of forming a volunteer committee to paint the Town Hall this summer.

Town's People again enjoyed the pot luck supper before the meeting.

Meeting adjourned at 9:00 p.m.

Respectfully submitted,
Marika Stuhlsatz, *Town Clerk*
